MSO ASM

Uveitis Made Easy

THE 11TH MSO ANNUAL SCIENTIFIC MEETING | 25-28 MARCH 2021

The Malaysian Society of Ophthalmology is proud to present the 11th MSO Annual Scientific Meeting 2021 which will be held virtually for the first time. The theme chosen for this year is **Uveitis Made Easy** which aims to provide a simplified understanding of the work up, diagnosis and management of uveitis for the general Ophthalmologist and trainees.
