

BOSS MSCRS

CATARACT VIDEO FESTIVAL 2021

SATURDAY, 11TH DECEMBER 2021 | 3PM

BOSS (Borneo Ophthalmic Surgical Symposium) was started in 2018 to promote surgical video recording and presentation to improve microsurgical skills. MSCRS (Malaysian Society of Cataract and Refractive Surgery) was initially called MSO Cataract & Refractive Special Interest Group and was formed in 2018. MYOSIG (Malaysian Young Ophthalmologists Special Interest Group) is part of MSO. BOSS and MSCRS will jointly organise this year's event which will be divided into 2 sections:

Open Section

Open to all Malaysian Ophthalmologists

YO Section

Open to all Young Malaysian Ophthalmologists/trainees

All submissions will be uploaded to [Borneo Ophthalmology Youtube](#) channel and the best videos will be selected for presentation at the actual event.

Organised by

BOSS **MSCRS**

Hosted by

Video title (limited to 20 words)
Abstract (limited to 120 words)

VIDEO SUBMISSION by 10th November 2021

Final video

GUIDELINES FOR ABSTRACT SUBMISSIONS

1. Video ABSTRACT text must be submitted in English, typewritten in font size 12 point Arial - Limited to 120 words.
2. Video title - limited to 20 words.
3. Each main producer is allowed to select and submit for **ONE (1)** Category only – **Open** or **YO** (Young ophthalmologists or trainees below 40).
4. Abstracts must be submitted before the stipulated deadline in order to qualify for the video submissions. Please visit the [Festival page](#) for more information on Submission.
5. Once the abstract is successfully submitted, please check the confirmation email on the next step required for the video submission.
6. All abstract must be submitted by end of **10th October 2021**.

GUIDELINES FOR VIDEO SUBMISSIONS

1. Narration, in English, is **vital** for the video. The narration should be of high quality without "popping Ps" and echo chamber effects.
2. English subtitles may be used.
3. Music is an important element of the video but it should not overpower the narration or distract the viewer.

4. Videos which are deemed to be offensive by the committee because of racial, sexual, political or religious content will be disqualified. The decision of the committee is final.
5. Main Producers whose videos have been selected for the video festival should attend the event and be prepared to answer any questions pertaining to the video contents.
6. Only **ONE (1)** video submission for **ONE (1)** category allowed per main producer.
7. Videos can cover all aspects of cataract surgery including interesting and challenging cases, practical surgical tips that can be readily adopted by attendees or even teaching aids to mastering certain surgical skills eg capsulorhexis, etc.
8. The contents must be understandable to an English-speaking person.
9. Please check the abstract submission confirmation email which has instructions on how to submit for the video submission. For enquiries, please email to : bossmscrs2021@gmail.com
10. All videos must be submitted by end of **10th November 2021**.

TECHNICAL GUIDELINES

1. Opening credits should include financial interest statement.
2. Video must **not exceed** 8 minutes. Exceeded portions (including opening introduction and closing credits) will be disqualified.
3. Video must be properly labelled with the main producer's name and the title of the video should not exceed 20 words. The title on the label must match the title submitted and the title presented in the video.
4. The video should be shown on screen as seen by the surgeon with images of the eye surgery filling most of the screen.
5. Graphics, schematic illustrations and animation can be used to clarify points.
6. Acknowledgement of prior investigators and contributors is required.
7. The video should not be a recorded powerpoint presentation.
